The screenshot displays the 'Set Master' application window. At the top, there are 'View' and 'Add/Edit' tabs. Below the tabs, the 'Set Name' is 'Colonial Architecture Set', 'Set Code' is 'CA', 'Is Active' is checked, and 'WEF Date' is '08/09/2020'. The main content area is divided into two sections: 'Electricity' and 'Makeup Rooms'. The 'Electricity' section contains a table with four rows, each with 'Meter No' (1, 2, 3, 4), 'Alias', and 'Remarks' fields, and a 'Save' button. A green circle with the number '1' is next to the table. The 'Makeup Rooms' section contains 'From No' and 'To No' fields, a 'Generate' button, a list of generated room numbers (101, 102, 103), and a 'Save' button. A green circle with the number '2' is next to the list of room numbers.
